Integration Instructions for Edge

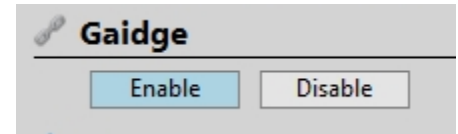

ORTHO2

Enable the Gaidge integration to connect your Edge practice data with your Gaidge practice performance analysis system, and automatically add standard Gaidge responses to your Contract Classes, Start Origin, and Treatment Classification editors.

Setup

To enable the Gaidge integration, open the Editors from the Tools tab of the Home ribbon bar. Click System Integrations under the Integrations heading. Enter your Username and Password.

Under the Gaidge heading, click the **Enable** button.
