# Ortho2 Resources

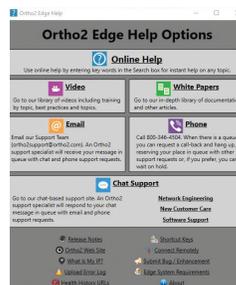

You should be aware that with your annual support agreement you have access to our first-class software support team for all the questions you have. What you and your staff may not know is the additional resources Ortho2 provides with that agreement. Please read on, and share this article.

- **Help Menu:** Both Edge and ViewPoint have a help menu with resources for almost every need. In Edge, click the large blue question mark labeled Help in the Home Ribbon Bar. In ViewPoint, click Help at the top. From here, you can explore white papers, visual help, our extensive help menu, and more.
- **Visual Help:** The visual help section of our website features videos to walk you through the main sections of Edge and ViewPoint. Look through various topics such as the basics, financials, the scheduler, and more.
- **Ortho2 Website:** The Ortho2 website, [www.ortho2.com](http://www.ortho2.com), is a wealth of information at your fingertips. Click on the Support & Learning tab to find frequently asked questions, visual and written help, or even make requests such as a custom project. You can also learn more about our Users Group Meeting, read the Ortho2 blog, and even visit our online store.
- **UserVoice:** UserVoice is a powerful feedback forum that allows you to easily tell us what you think. Log in to UserVoice to connect with us, make suggestions for enhancements, vote on your favorite ideas, and watch them become a reality. Use your Ortho2 username and password to login and begin voting!
- **Ortho2 Webinars:** These monthly webinars review a variety of topics in both Edge and ViewPoint, and are presented by the Ortho2 staff. They are perfect for the new staff member in your office, or as a refresher for your senior staff. Each

webinar is presented twice a month at different times for your convenience. And don't worry if you miss a webinar; they are recorded and available in the visual help section of our website.

- **Cutting Edge Webinars:** This free weekly webinar series is hosted by an elite group of experienced orthodontic professionals, and covers everything you need to know to run a successful orthodontic practice. Topics include everything from starting a new practice to how to transition your practice at retirement, and everything in between.
- **Ortho2 Blog:** Our blog features articles from consultants about topics that can help your practice in a variety of areas. In addition, you can find articles about what's going on at Ortho2, updates about the Users Group Meeting, and current specials.
- **Users Group Meeting:** Each year you are invited to attend the Users Group Meeting. This year's will be in Orange County, California, February 23-25. Classes are taught by industry-leading consultants, orthodontists, and experienced Ortho2 staff. There are topics designed for every person in your office, regardless of their current skill level.

We hope that you take advantage of all the resources available to you. A few minutes reviewing and exploring them can save you and your staff time and frustration. Be sure to share these ideas generously. ☺
